'00+ TAHOE / SUBURBAN  
SILVERADO / SIERRA  
Retrofit Computer Mount - No Holes  
425-5015

## 1 - Cable Dock® Desktop

Rotates 360° with ergonomic platform tilt. Two (2) nylon coated stainless steel cables secure notebook computer to desk. "One Hand" operation for removing and securing computer. Six (6) foam pads lift the computer off of the desktop providing shock absorption and air flow under computer.

## 2 - Articulated Swing Arm

Rotates 360° around stand and extends 13 3/8".

## 3 - Telescoping Rod

Extends desktop height. Travels inside of stand.

## 4 - Ratchet Handles

Secures swing arm position at elbow and stand.

## 5 - Stand

Stand attaches to base and houses telescoping rod.

## 6 - One Piece Mounting Base

3/16" gauge steel, one piece base designed to retrofit to floor plate.

## 7 - Floor Plate

Extruded aluminum allows for top down installation of console and accessories.
